SPECIAL NOTE For All Students Regarding Typing: Sixth grade students will be asked to hand write composition papers for the 1st Quarter. At the end of the 2nd Quarter, the students will be allowed and encouraged to type their composition papers. Beginning 3rd Quarter, all students will be expected to type their composition papers. We recommend that all 6th grade students have computer accessibility at home and that all students complete a typing tutor program such as Mavis Beacon. (There is a free Mavis Beacon typing tutor available for PC's at [Mavis Beacon Free](http://www.mavisbeaconfree.com/). (<http://www.mavisbeaconfree.com/>) If this tutor program doesn't work for you, find one that will work with your computer. It is suggested that all 6th grade students spend time (2 or three times a week) over the summer with a typing tutor, maybe even complete a typing tutor program! There **will not** be computers available at school for composition writing.
