

**Clear Lake Classical School Supply List**  
**7th to 12th Grade Class 2023-2024**

**For All Students** it is recommended but not required that they have a portable Chromebook or laptop for word processing, reading from primary source documents, and research. They will be using Microsoft Word and Google Docs. Please read the Student/Parent Handbook for the school policy on use of technology at CLC.

**For All Students a planner is required.** Students may buy one of their choice or buy one from the school office for \$5.00.

**For Math Students taking Algebra 1 and above,** it is required for each family to have one TI84 calculator. If you can afford it, each child will use it daily and could benefit from having their own, but we do have three calculators students can share in class.

**For Daily Work (These do not have to be new if previous year's supplies are in good condition.)**

\* Every incoming seventh grader or new student needs to have a **blank journal** for their **Commonplace Quotations Book**. This will be used every year from grades 7-12; therefore, it would be a wise investment to purchase a beautiful leather version or another kind of high quality. However, any journal of your choosing is acceptable.
