

CLC at Mars Hill Fundraiser

We are excited to announce that we will be expanding our CLC campus! Our school has experienced significant growth in the last few years and we are running out of space at our current location.

The use of this new space will be in addition to the space we currently lease at the Clear Lake EFree Church. Our new building is in good shape and will require less work than we originally thought, but as it has sat empty for a few years we will be needing to do some renovations before we move in.

To complete all the required renovations, we will need to raise about \$50,000. The total funds, along with some hard-working volunteers, will allow us to begin using the building for instruction starting Fall of 2021! Please, join us in this journey as we seek to continue the tradition that Paul started on Mars Hill (that we read about in the book of Acts), and that by God's grace this will be a place we can proclaim the one true God and teach others, including our students, to be reconciled to Him.
