Prepackaged healthy snacks- this year each child will be accountable for bringing a snack with them each day they come to Pre-K. This snack needs to be easy for them to get out of their backpack, dry- nothing that contains juice and clean- nothing in a cup that requires a spoon or would leave a residue on their hands. Here are a few examples of good snacks to bring- whole or dried fruit, granola bars, animal crackers, cheese sticks, etc. Remember this is not a lunch, just a small snack.
